ELECT SUSAN LEONETTI
 Fire Commissioner Dist. 10, Position #2

Actively recruit District citizens, train, retain to be Traditional Volunteer firefighters and provide them with professional incentives to be volunteers. Decentralize the career staff from Station 10-1 to outlying stations. Be extremely proactive and move the District to borderless response. Purchase property and construct new fire stations on north and northwest areas outside the 5 road mile limits of current fire stations for WSRB rating and time conservation. Be an advocate for tax payer concern and to provide conscientious management of taxpayer dollars. Thank you for your consideration and support of an experienced firefighter with 20 years of continuing service to the community.
